Dear Sir:

I have the privilege to enclose herewith the Report of the Chief Electoral Officer concerning the Provincial Senatorial Election, which was held on Monday, October 16th, 1989.

This Report is submitted pursuant to the provisions of Section 4(3) of the Election Act and consists of an overview of the Senatorial Election and a detailed breakdown of results, together with certain historical information. This data also includes such financial information as has been provided by other government departments involved in the Senatorial Election process.

Should you require clarification on anything contained in the Report, or additional information, I would be pleased to respond.

Yours respectfully,

P D Ledgerwood

Patrick D. Ledgerwood
Chief Electoral Officer

THE REPORT OF THE CHIEF ELECTORAL OFFICER ON THE PROVINCIAL SENATORIAL ELECTION MONDAY, OCTOBER 16, 1989

OVERVIEW

On the authority of Order in Council 475/89, the Lieutenant-Governor's **Writ** of Senatorial Selection, dated September 11, 1989 and pursuant to Section 38 of the Senatorial Selection Act, the Chief Electoral Officer, together with the Department of Municipal Affairs and 322 Municipal Returning Officers, conducted an election to select one person whose name would be submitted to the Queen's Privy Council for Canada as a person who may be summoned to the Senate of Canada for the purpose of filling a vacancy relating to Alberta.

Candidate Registration - Eight prospective candidates filed registration papers relative to the Election Finances and Contributions Disclosure Act.

Nomination Day - Seven candidates filed acceptable nomination papers, prior to the close of nominations at 2 p.m., Monday, September 25, 1989.

Withdrawals - One candidate, Mr. Ivor Dent, Independent Candidate, withdrew his name within 48 hours after filing his nomination papers and was subsequently refunded his nomination deposit, in accordance with Sections 12 and 16 of the Senatorial Selection Act.

Procedures - The Writ directed that the election be conducted under Part 3 of the Senatorial Selection Act, "Election held in Conjunction with Municipal Elections". As a result, all polling procedures were governed by the Local Authorities Election Act and municipal authorities were responsible for establishing voting stations in their jurisdictions. Three hundred and twenty-two Returning Officers conducted polling in 347 separate electoral entities. **Incapacitated and Institutional (Treatment Centre)** polling varied from place to place. **Advance Voting** was held on a date(s) established by the local authority, between Saturday, September 30, 1989 and Saturday, October 14, 1989 (inclusive).

Voting (Polling) Day was Monday, October, 16, 1989.

Election Returns were made by each of the three hundred and twenty-two Returning Officers on completion of their Official Count, in accordance with Section 21 of the Senatorial Selection Act. The Official Tabulation of Results was completed and the results were announced on Thursday, October 26, 1989, as required by Section 22 of the Senatorial Selection Act.

No **Judicial Recount or Appeal** was applied for, pursuant to Section 24 of the Senatorial Selection Act.

Mr. Stan Waters, the Candidate representing the Reform Party of Alberta, was declared elected. The Chief Electoral Officer published Mr. Waters' name in the **Alberta Gazette,** dated November 15, 1989, in accordance with Section 25 of the Senatorial Selection Act.

Nomination Deposits were returned to the winning and second place Candidates. All other deposits were forfeited, in accordance with Section 12 of the Senatorial Selection Act. The forfeited amount of sixteen thousand dollars was paid to the Provincial Treasurer, for deposit to the General Revenue Fund.

Notes On The Data That Follows:

1. There were 347 separate electoral entities wherein votes were polled. The result of this polling is presented in the pages that follow, according to those 347 entities. Each entity has been assigned a corresponding "Line Number" which is consistant in each Appendix, in order to facilitate cross reference between the Appendices.

2. The abbreviations used are expanded as follows:

    a. Vil. - Village;
    b. Co. - County;
    c. M.D. - Municipal District;
    d. I.D. - Improvement District; and
    e. S.V. - Summer Village.

3. There were minor differences in the votes polled by Candidates, as shown on the following "Tabulation" and "Statement" Appendices "A" and "C", and the "Official Results" released earlier by the Chief Electoral Officer. In no case do these differences suggest any change in the outcome, in that they are single digit differences only. They occurred as a result of discrepancies between the official results forwarded to the Office of the Chief Electoral Officer by facsimile machine and the formal "Statement of Official Results" provided at a later date, by certain Returning Officers. The announced results were predicated on the facsimile machine data, due to the need to present the electoral results on the prescribed date, relative to the time needed to acquire all the formal documentation.

4. Appendix "F" contains a copy of the Campaign Period Financial Statements as received from each prospective Candidate. These Statements had not been audited at the time of this Report. Subsequent information may be seen in the Public Files at the Office of the Chief Electoral Officer.

From an **Historical Perpective** this electoral event has been the only time in Canadian history that an individual has been elected to fill a vacancy in the Senate of Canada. Vacancies to date have previously been filled by political appointment. At the time of writing, the Prime Minister had not yet appointed the elected Candidate to fill the Alberta Senate vacancy.

COMBINATION OF VOTING ENTITIES

(as provided to the Chief Electoral Officer)

In order to ensure overall cost-effectiveness in this election, one hundred and three smaller voting entities were combined with the voting structure seen at foregoing Appendix A. The following Table identifies these smaller entities together with the appropriate "Line Number" wherein that vote was actually taken and in which the results have been included. This "Line Number" may be used to cross-reference the data in Appendices A, C and D.
